

Acceleration Policies

Lincolnview Local Schools provide for academic acceleration, including early entrance to Kindergarten, whole grade acceleration (“grade skipping”), acceleration in individual subject areas and early high school graduation. . Any student residing in the district may be referred by a staff member, a parent/guardian, a peer or by self-referral.

Parents considering acceleration are encouraged to contact the principal, guidance counselor or the coordinator of gifted services for information. Parents have the right to request screening and to participate in the evaluation process.

The school district Policy regarding academic acceleration is available in the Superintendent’s office.
