

REQUIRED
CONSUMER NOTICE OF TAP WATER RESULTS

June 2012

Dear Consumer,

Lincolnview Local Schools is a public water system (PWS) responsible for providing drinking water that meets state and federal standards. As a part of those standards Lincolnview local Schools took required water samples for lead and copper at the school during the month of June 2012 for EPA compliance. The results were all within compliance of EPA regulations. These tests results can be reviewed upon request at the Lincolnview Local Schools District Office. Feel free to contact the district office at (419) 968-2226 if you would like to view the results.
