May 20, 2016

Dear Parents,

As we prepare for the 2016-17 school year and begin developing bus routes, again our theme is safety. First, Lincolnview will use your child/children's current transportation schedule for 2016-17 school year; if there would be changes contact the transportation department. Secondly, Lincolnview no longer accepts phone calls and/or notes for daily transportation changes. Your child/children should have a consistent schedule for transportation that they follow daily, which would include Latchkey. Any change in transportation will be the parent's responsibility. With the safety and well-being of your child/children as a priority, their regular/consistent transportation schedule will be followed. Lincolnview does understand there may be long term changes during the course of the school year and a form is on the Lincolnview web site (www.lincolnview.k12.oh.us). This form should be filled out and submitted to Lincolnview transportation office. This form will require 2 days to process and again it is a long term change (at least 4 months). This change would then continue for the remainder of the school year.

For the 2016-17 school year if you pick your child/children up from school, you will be required to park in the designated parking areas, come into the school and sign your child/children out. All children will be in the cafeteria and must be signed out before they are permitted to leave the school.

To ensure the safety and well-being of your child/children these changes will be followed and parents will be responsible for making any daily transportation changes that you would deem necessary.

Thank you in advance for your cooperation and understanding.

Brenda Eickholt
Program Services Coordinator
