Dear Lincolnview Students & Parents,

Governor Mike DeWine has recently ordered all K-12 schools in Ohio to be closed for at least three weeks (or an “extended spring break”) to help slow down the spread of Coronavirus (COVID-19). As a result of this executive order, the **Lincolnview Local Schools will be closed beginning Tuesday, March 17, 2020 through at least Friday, April 3, 2020.**

We also believe that part of our school responsibility is to continue to provide meals to the students of Lincolnview Local Schools. We have decided to provide “free” breakfast/lunch to-go-bags for all students Pre-School through the 12th grade (this also includes Lincolnview students who attend Thomas Edison Pre-School, Vantage Career Center, and Synergy Learning Center). This will begin **Thursday, March 19, 2020** and will include a “Meals-on-Wheels” program. We will be delivering food to student(s) homes via our district’s school busses/vans between 3pm – 5pm Monday – Friday. We are asking that someone be present at the home to receive the breakfast/lunch bags each day. To sign up for and receive our new “Meals-on-Wheels” program we will need each parent go to our main page on our Lincolnview Local Schools website under “News and Announcements” and fill-out the appropriate on-line document or call the district office at (419) 968-2226 to sign up.

We will also be providing a “Drive-Thru” service, if you prefer this option over the “Meals-on-Wheels” program. The “Drive-Thru” service will be open from 11am – 1pm Monday-Friday at the Lincolnview Elementary Main Entrance. For this service, you must go our main page on our Lincolnview Local Schools website under “News and Announcements” and fill-out the appropriate on-line document or a parent may call the district office at (419) 968-2226 to sign up. For the “Drive-Thru” service, you may only pick one of the two meal service plans that we are providing to our students.

We will keep you up to date through our “Lincolnview Alert” notification system if any changes are made through our new “Meals on Wheels” or “Drive Through” program and by posting information on our school’s website and social media platforms. Our goal is to continue to provide this new food service option as long as permitted by our state and national officials. If you have any questions or concerns, please do not hesitate to contact us.

Sincerely,

Jeffrey T. Snyder
Superintendent
