Troy R. Bowersock, Treasurer

March 13, 2020

Dear Lincolnview Students & Parents,

Governor Mike DeWine has recently ordered all K-12 schools in Ohio to be closed for three weeks (or an "extended spring break") to help slow down the spread of Coronavirus (COVID-19). As a result of this executive order, the **Lincolnview Local Schools will be closed beginning Tuesday, March 17, 2020 through at least Friday, April 3, 2020.**

Part of our school responsibility is to continue the education of our students when school is cancelled for an extended period of time beyond our traditional calamity and make-up days. What this looks like depends on the age/grade level and types of courses each student is taking this semester. Possible lessons assigned by your child's teacher may include online (E-learning), paper-pencil, or a combination there of, depending on the student's accessibility to technology.

Please help our teachers during this challenging time by supporting their efforts and communicating with them. There will be a learning curve for everyone as we begin a different way to educate a child than our traditional way.

The closing of our school also means that all extra-curricular activities, school events, sport practices, sport scrimmages, and sport games are all suspended until we return back to school. This also includes that all gymnasiums and athletic fields will be closed for group and individual use as well. Access to the "Lincolnview Community Center" will also be closed during this time to everyone. This closure of all athletic facilities & the Lincolnview Community Center will begin at 3pm on Monday, March 16th.

Please understand that we are still working out many details regarding the school closure and will continue to do so over the next three weeks. Our number one responsibility is the safety of our students and community. We are working with our local and state health departments, and using the information from the Centers for Disease Control (CDC) as our guidance.

We will keep you up to date through our "Lincolnview Alert" notification system and by posting information on our school's website and social media platforms. If you have any questions or concerns, please do not hesitate to contact us.

Sincerely,

Jeffrey T. Snyder
Superintendent
