Kindergarten Registration

Parents in the Lincolnview Local School District having a child who will be five years of age on or before August 1, 2020, may register their child for the 2020-21 school year.

Registration will be conducted during the week of March 2-6 from 7:30 a.m. to 4:00 p.m. at the Lincolnview Elementary building. Registration will require about 10 minutes.

Registration forms are also available on the Lincolnview website at www.lincolnview.k12.oh.us. Parents may complete the form and bring it with you to registration to expedite the registration process. You will be given a kindergarten screening appointment at the kindergarten registration. If you want your child to attend kindergarten at Lincolnview, but live outside the district, you should plan to register and attend Lincolnview's screening. Open enrollment space can be limited. You can obtain an open enrollment form at registration for the kindergarten class. Applications are considered in the order received. The open enrollment window is now open to May 31 for all other grade level students.

Parents should bring their child's Social Security Card, Official Birth Certificate, and Immunization Records to registration. Please include custody papers if applicable.

Immunizations needed before starting school are:

- Polio - 4 doses-(last dose on or after 4th birthday)
- DTaP - 4 or more doses
- MMR -2 doses
- Hepatitis B - 3 doses
- Varicella (Chicken Pox) - 2 doses

More information on immunizations may be found on our website under "The Nurses Corner"

Lincolnview Kindergarten Screening will be held Monday, April 6 and Tuesday, April 7 at the First Baptist Church on Jennings Road. Prior registration during the week of March 2nd is required.

Additional information may be obtained by contacting the Lincolnview Elementary Office. The office telephone is 419-968-2351.

Respectfully,

Nita Meyer, Principal
